

TOME SCHOOL SPORTS BOOSTERS

Dear Tome Parents and Students,

This year we will have a season pass for our Titan volleyball fans. The pass will be good at all home games, and will include the Tome Invitational Tournament on Sept. 16.

The cost for the pass will be \$15 for adults, \$5 for students, and \$25 for a family pass. Students and parents will be required to show their passes in order to gain entrance into the events.

If you opt not to purchase a pass, the admission fee will be \$3 for adults, \$1 for students, and \$6 for a family to Varsity games. Revenue raised from admission fees and season passes help offset costs for the sports' program at Tome and will benefit all sports and all athletes!

Volleyball players will receive one free student pass from the Athletic Department.

Any student or parent interested in purchasing the season pass will need to complete the information below and return to the office, or present it at the first home game. Passes will be sent home with your student, or will be issued at the game when payment is made.

We are looking forward to another exciting volleyball season here at Tome.

GO TOME TITANS!
